## Scope and Topics

The goal of the CHERNE network, and therefore of the Workshop is the development of educational and scientific cooperation among participant institutions, in the field of nuclear and radiation sciences. Topics of interest to the Workshop encompass education and research in all areas of Nuclear and Radiological Engineering, including among others:

- Radiological Protection
- Radiation and Radioisotope Applications to Industry, Medicine and Research
- Environmental Radioactivity
- Radiation Measurements
- Nuclear Chemistry
- Radiation transport and Monte Carlo methods
- Reactor Physics
- Nuclear Safety
- Nuclear Fuel Cycle and Materials
- Risk Analysis applied to Nuclear Engineering.

## Registration fee

Fee includes attendance to the Workshop, conference material, social dinner and excursion to Noto.

- Regular payment: 300 €
- Late payment (after May 15<sup>th</sup>, 2019): 360 €
- Accompanying person (includes only conference material): 125 €
- Student: 60 €

Link and more information about the fee on the conference website:

(continuously updated).

## Scientific Program

Please refer to the web-site, which will be updated regularly.

## Abstracts

Abstracts are due by **April 30<sup>th</sup>, 2019**. After this date, they will be accepted as late abstracts and might not be present on the book of abstracts but only in the transactions. Please, download abstract submission form from the web-site, and submit it by e-mail.

## Proceedings

Research papers will be published on an international scientific journal; contacts are being made with the editors of international journals for a dedicated issue. Educational, non-research contributions will be collected in a book, possibly with ISBN.

## Deadlines

- Regular abstracts: **April 30<sup>th</sup>, 2019**; Late abstracts: any time later
- **Registraton: May 15<sup>th</sup>, 2019**;
- Early payments: **May 15<sup>th</sup>, 2019**;
- Late payments: **at any time after May 15<sup>th</sup>, 2019**;
- Full papers: **September 15<sup>th</sup>, 2019**. This is the latest deadline, however authors are encouraged to bring manuscripts directly at the workshop, if ready.

## Social Program

The tentative schedule for the social events is as follows:

- June 2, at 8:00 pm: welcome drink
- June 3, afternoon: excursion to the beautiful baroque town Noto and social dinner.
- June 4, boat trip to Isola delle Correnti (depends from the weather).

## Venue and Accommodation

The Workshop will take place in the charming resort town of Portopalo di Capo Passero, in the Hotel Vittorio: <http://www.hotel-vittorio.com>. A number of rooms have been reserved for the conference attendees: a special price has been offered by the management (please mention, when reserving, that you are attending the CHERNE Workshop). Book at your earliest convenience, please, or rooms might get sold out.

**Double room (1 person)**  
70 €/day (includes breakfast)

**Double room (2 persons)**  
80 €/day (includes breakfast)
